June 25, 2019 à€™ We've redesigned the editor for speed and ease of use. One glance is enough to navigate the editor and increase the effectiveness of your content. All changes are aimed at increasing the speed of the editor and the convenience of working with it. Now the online editor has 5 new blocks and 15 new settings for all types of content. https://vk.com/app5619682_-132428962#486575_f2ce5e9
