The police have also registered an FIR in connection with his detention. Police in Patna detained Sushil Modi, who was on his way to meet the prime accused and party's chief Nitish Kumar. Sushil Modi told the media after being detained that he had come to meet him, and was not aware that he had been detained. Sushil Modi was arrested on Sunday and has been granted bail. Sources in the party said the BJP state president had been “detained” as a preventive measure, so that none of his meetings with the prime accused could be recorded by the police. Most people think of The Pelican Island as a temporary resting place for large birds. Most of the island is untouched woodland and is a good habitat for numerous birds and insects. Keeper News 13 Nov 2010 As many birders will know, there are very few places on the island where one can visit plants and animals from all around the world. The only mainland island within easy reach is Wight where plants and animals can be seen by visitors. There are, however, places on the western side of the island where the paths and walking trails provide the opportunity to examine animals from across the world. Certainly, among the best is the Wildlife and Wetlands trust’s Mondynes Reserve. In terms of flora, the most common plants one will find are on the wetter areas around the cliffs on the south east end of the island, particularly the Loe Sands, Stoughton and the Shorey.
