
Element 3d 1.6 License File _VERIFIED_

Run LicGen (as administrator!) and generate a license file. (The license will be generated in the same folder as LicGen); Install license (from Element 3D authorization form) ... Depending on your distribution. If you have Linux, then you need to register in the system.conf file, in the [dialect] section, the path to the license file. Example: /etc/dialect/system.conf: hostname : server_name server_port : 8888 language : en If you are using Windows, then you need to install the license file yourself. If you do not have LicGen installed, then you need to download it from the official website, install it, find the license file in the folder with the installed game and generate it through this application.
